ABOUT THE EVENT

You're invited to celebrate the end of the school year with the entire ORCA community! This event brings together students, families, and staff to recognize a year of hard work, growth, and achievement. Whether you've participated in a CTSO, taken CTE courses, or simply want to celebrate — **this event is for everyone!**

As part of the evening, we will highlight and celebrate our Career & Technical Student Organizations — including **DECA, FFA, HOSA, and Computer Science** — recognizing the leadership, dedication, and impact of these student-led programs. We will honor our graduating seniors and celebrate our incoming student leaders as they step into new roles for the year ahead.

♥ SUPPORT ORCA STUDENTS

During the event, the ORCA Parent Organization will be hosting a fundraiser on behalf of all CTSOs to support student opportunities across our school. By participating at Dave & Buster's, you can help fund:

- ▶ Student leadership development
- ▶ CTSO programming and events
- ▶ Conference and competition participation
